**New business:** The annual Christmas party still needs a venue. We are looking into community locations but also we are open to private homes for the 13th or 14th of December for dates.

Another subject of business was looking for new clinicians for next year. Please feel free to share any ideas you might have.

Clinicians possibly covering hoof care, or let us know any other subjects you find interesting

### **Old Business:**

The WCDEA HalloWEen show at the beginning of October was a lot of fun! The organizers did a fantastic job, and had some great feedback on how to streamline organizing an event for the future. Kelly and Josephine did a great job!

The monthly meeting was a small but mighty group, and we talked about the show, and everyone was in agreement about purchasing some show photos from Emily Dieleman that we would be able to use on social media. There was also discussion about fun ideas for ways to start 2026.

We still need to firm up plans for a holiday gathering in December, so please come to the November meeting to talk about that, along with electing board members. Just a reminder that the next meeting will be on November 20th, at the trusty Round Table Pizza. Come at 6:30 to eat and gab, meeting to start at 7:00.

We also talked about new advances in technology for keeping and posting Horse shows scores that may replace paper score sheets in the future.

Here are a few of the costumes from top to bottom; Michelle Becker, Christina Atchison, best in show and Elke Kari.
